

# BECOME A MEMBER OF HALLOCKVILLE MUSEUM FARM

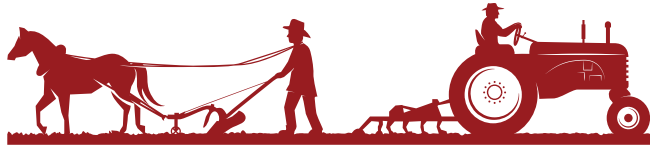

Whether you are a returning member or new to Hallockville, we appreciate your interest in the museum farm! Hallockville offers a wide and robust set of programming that directly supports our mission of re-connecting the community with our shared agricultural and rural heritage. Our school visits, special events, craft classes, summer camp, and so much more **only happen because of you!** Hallockville is not a State, County, or Town facility — we are a grassroots organization that is supported by the generosity of members near and far.

Besides financial support, members contribute to Hallockville by volunteering their time and talent. Volunteers are the driving force of the organization — please sign up to help by visiting [hallockville.com](http://hallockville.com).

Thank you again for recognizing the value that Hallockville brings to families and the community as a whole. Your support is essential and appreciated. And don't forget to follow us on Facebook and Instagram!

I look forward to seeing you at Hallockville!
