FOOD and SNACKS

The Camp programs are **nut free**. Please do not pack any food that contains nuts or food products containing nuts of any kind. Food items that do not contain nuts but that are “made in the same facility” as nuts are acceptable.

Please note the following regarding food, drink, and snacks:

- All lunches, snacks, and drinks must be provided by the parent/guardian.
- Lunch boxes and bags should be labeled with the child’s full name.
- Children should arrive with adequate amounts of water (preferably chilled).
- Even if you send another drink with your child, please also provide a water bottle filled with water. There is considerable physical activity during camp and water is the best way to stay hydrated.
- Food will be not stored in refrigerators and so we recommend sending campers with food that will not spoil and/or is packed in an insulated container with cold packs.

- Do not include food that requires heating.
- Notify staff in advance if your child has a food allergy, and severity of allergy.
- To make snack and lunchtime safe and enjoyable for all campers with or without allergies, sharing of food is not allowed.

CLOTHING and FOOTWEAR

Children will be engaged in outdoor activities and so should be dressed with appropriate clothing and footwear.

- Sneakers or comfortable closed-toe shoes should be worn. Please do not have children wear flip-flops or open-toed sandals. ‘Hard’ shoes such as ‘cowboy/cowgirl boots’ should be avoided since there will be considerable walking around the site.
- A rain poncho or slicker should be provided in case of inclement weather.
- Please send a full change of clothes for the week that your child is at camp. If these extra clothes are used, please provide a fresh set the following day.
- We suggest campers bring a small backpack or comfortable bag to camp to aid in carrying belongings and supplies as they explore.
- Sprinkler Time: If you would like your child to participate in this activity, please send them with a bathing suit and towel.

SUNSCREEN and BUG SPRAY

Since children will be engaged in outdoor activities, sunscreen and insect repellent are recommended. We also recommend that your child bring a sun hat to camp.

- Please apply sunscreen or sprays to your child daily prior to arrival.
- Camp staff cannot apply sunscreen or bug spray that is not provided by you for your child. Therefore, please bring such items and label with your child’s full name; we will store them at camp.

TICKS

Ticks are found all across Long Island including at Hallockville. The museum farm does not spray for ticks or other insects and so it is advised that a tick repellent be applied to campers prior to arrival. Although camp staff will check children for ticks, we advise you to check your children for ticks every single evening after camp.

PERSONAL ITEMS

Parents are asked to keep their camper's personal items at home including books, toys, trading cards, electronics, and other similar items. All campers are individually responsible for their personal items including clothing, lunch bags, and other possessions. All items that are weapons or could be construed as weapons must remain at home. This includes any 'toy' guns, knives, or similar items. The camp is not responsible for any lost or damaged personal articles. Please make sure all items brought to camp are labeled with the campers first and last name.

CELL PHONES

It is camp policy that campers are not permitted to have a cell phone while at camp. We believe that being at camp is an opportunity for your child to experience a world beyond home. This allows children to develop autonomy, independence, and a stronger sense of self. It allows them to make new friends, take responsibility for themselves and their fellow campers and problem solve.

If a cell phone is sent to camp with a child, the phone must remain put away with the child's personal items and the phone may not be used during camp hours. Camp staff is not responsible for lost or damaged cell phones.

If a parent or guardian has need to contact a camper during camp hours, they should call the camp office at 631-298-5292.

HARASSMENT, BULLYING, and BEHAVIORAL ISSUES

There is an expectation that all campers respect each other, camp staff, and others who are part of the camp experience. It is important that all campers recognize the need to be kind, respectful, and thoughtful. Such interactions create a fun and enriching camp experience for everyone.

- There is a zero tolerance policy for harassment or bullying behaviors at camp. Any type of harassment or bullying by a camper towards other campers, staff, or others will not be tolerated; the appropriate disciplinary action, including potential exclusion from camp, will be taken.
- Please express to your camper that if they feel threatened to immediately tell a camp staff member.
- Harassment or bullying behaviors will be handled immediately with appropriate disciplinary actions that could potentially include dismissal from camp as

determined by the Camp Director. Any expenses and transportation related to early dismissal from camp, for any reasons, are the responsibility of the parent/legal guardian. Refunds will not be issued for discipline-related suspensions or dismissals.

- There is a zero tolerance policy for violence of any sort at camp. If your child engages in a violent act causing possible harm to another camper or a staff member, they may be immediately suspended from camp and possibly removed from the program indefinitely. Refunds will not be issued for discipline-related suspensions or dismissals.

ACCIDENTS and EMERGENCIES

In the event of an accident, first aid will be administered and an incident report will be completed by camp staff. Parent/Guardians will be notified as soon as reasonably possible after attending to the child's immediate needs.

In case of an emergency, the camp will call 911 and contact the Parent/Guardian or emergency contacts provided with the camper's registration.
